

SIMENERHOF

Our farm is located in the village Großdorf in the unique mountainous region of the Nationalpark Hohe Tauern, at the foot of the Großglockner.

The Simenerhof has been family-run for decades and was renovated in 2006.

In 2009 we have built 2 apartments on the first floor which harmonize perfectly with our old farm and the environment.

In front of our house there are: a ski slope, a cross-country ski run, as well as several hiking trails, which invite to discover the beautiful mountain world of Osttirol.

At a distance of only 3 walking minutes you can find several ski and sport shops as well as different restaurants.

At our house you will find modern comfort in new apartments combined with family flair and a sense of tradition and customs.

Our 2 apartments of 59m² have a spacious kitchen, 2 bedrooms, a bathroom, a separate toilet, a big corridor and there's room for six people at most. Every apartment has a kitchen with a sofabed, a dishwasher, a microwave, a cooker, a fridge etc.

The apartments have a comfortable ambience which invites to enjoy and relax.

Every apartment has access to the terrace from which you have a wonderful view at the ski slope and the beautiful landscape. We also offer you a covered parking lot in front of our house.

We would be very happy to welcome you as our guest at the Simenerhof!
